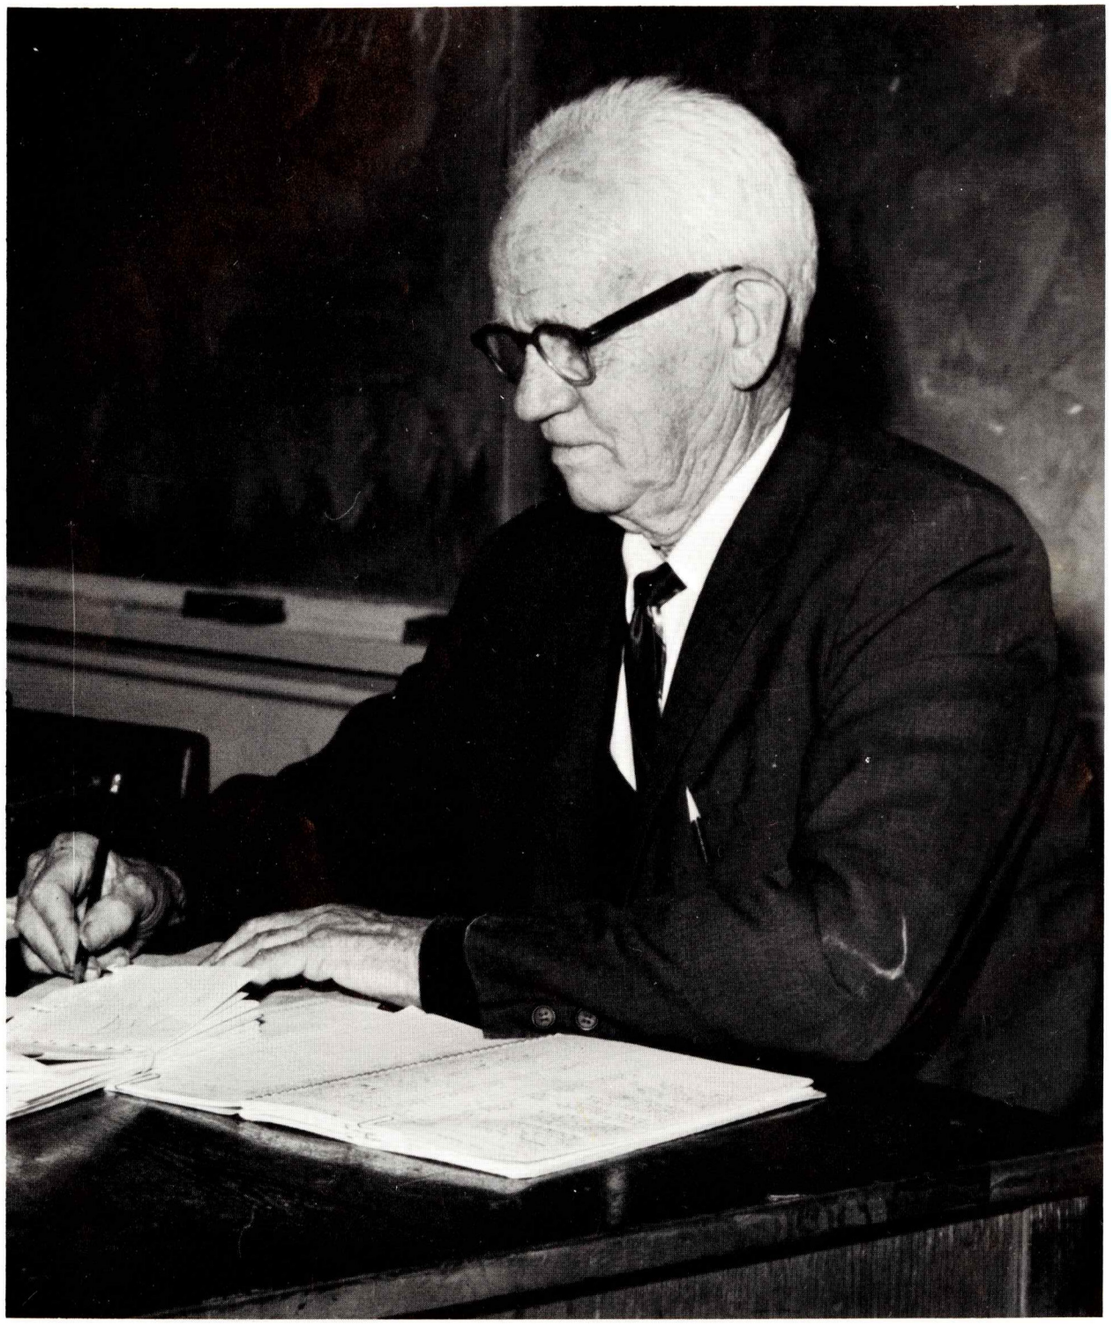
WE PROUDLY DEDICATE MR. I. K.



THE 1968 GROWLER TO AVERA

We, the annual staff, dedicate this annual to Mr. I.K. Avera in hopes that it will serve as a means of expressing our continuing love for one who has gone on to life eternal.

Mr. I.K. Avera is considered a symbol to students and faculty at Moss Point High School. He symbolizes the dedicated teacher by his tireless efforts as teacher for 35 years; he represents the valiant war hero, as a highly decorated soldier in World War I; he symbolizes the self sacrificing individual as he constantly gave of himself in his daily activities.

Mr. Avera's industry was shown early. When "Mossy Point" was just a saw mill town Mr. Avera, at 14, rode logs down the river to their destination. He was graduated from Pine Level High School and then worked his way through Mississippi State University, where he was active in debating. He was awarded the Bachelor of Science Degree in mathematics.

He had taught in several counties in Mississippi, including Greene, Perry, Jackson, and Stone. He was active in Boy Scouts at Perkinston High School. In each place he taught he stressed thoroughness. He also tried to impress students with the importance their school work has to future life.

During World War I Mr. Avera was one of the first to go overseas and one of the last to come back. Having traveled all over the world during the war, he has one of the most outstanding war records for bravery. In fact, he was one of the few people awarded by both France and America in World War I. He was awarded the Silver Star and the Purple Heart.

The former Pauline Phillips became Mrs. Avera in 1929 and there are three children.

We think William Shakespeare was describing Mr. Avera when he wrote "His life was gentle and the elements so mixed in him that Nature might stand up and say to all the world This Was A Man!"

And it is to this man we dedicate our annual.

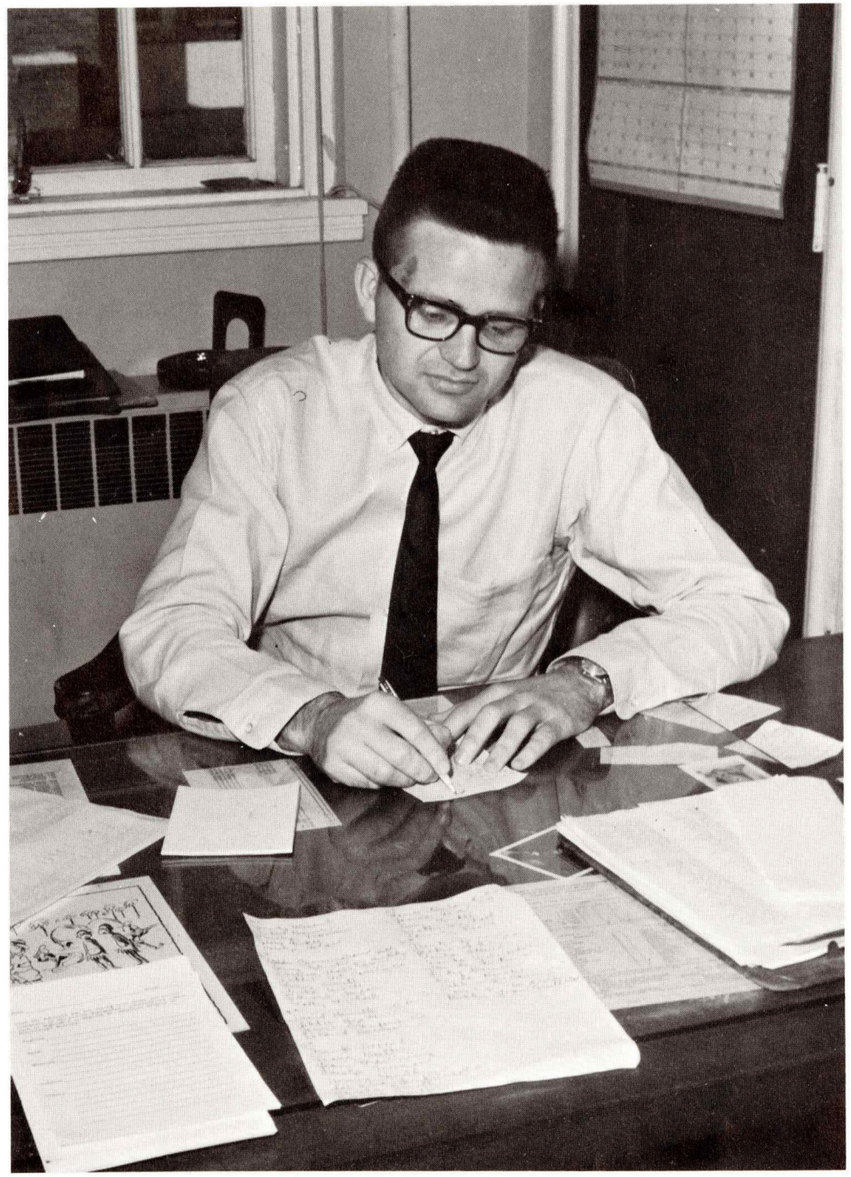
TEACHER OF THE YEAR
MR. GEORGE DALE



The Student Council is very proud to announce that Mr. George Dale is "Teacher of the Year" for the 1967-68 school year.

Mr. Dale has taught here for several years. Last year he became our assistant principal but because of his long hours of hard work and untiring interest in the students themselves, we believe he deserves this honor. Perhaps this is why he understands the students so thoroughly, having dealt with them in and out of the classroom.

Mr. Dale gives his energies to academic pursuits, administrative duties and students' interests equally enthusiastically. He always has time for a students problem, no matter how busy he becomes. And for this "giving of himself" we salute him!!

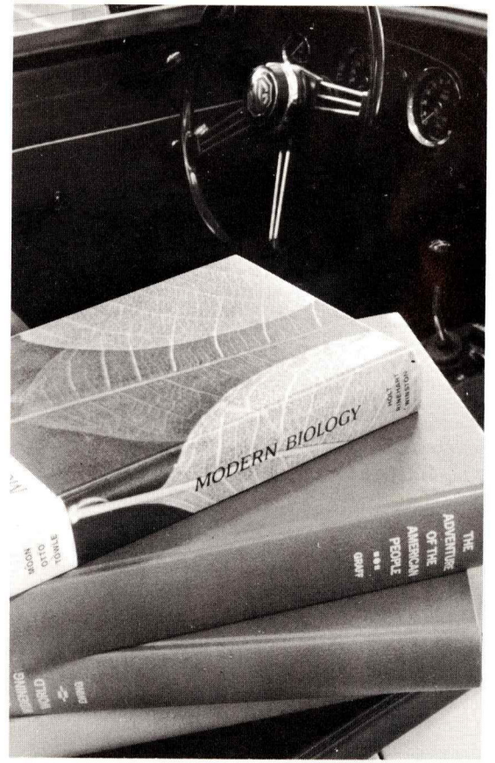
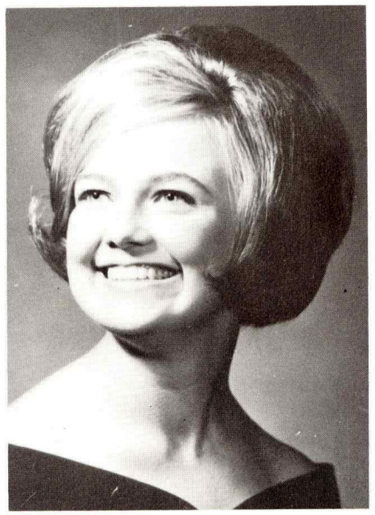
SENIORS



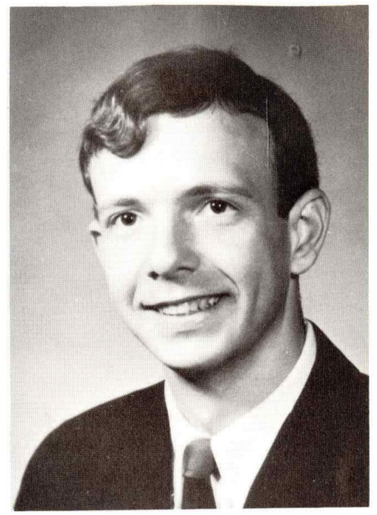
Having served as President of the Y-Teens, Jeanette Bowman has displayed well the essential traits necessary for effective leadership in a Christian organization. She was selected "Most Sophisticated Senior" and "Most Polite" in the Who's Who elections. Because of her leadership and scholarship ability, Jeanette well deserves the right to initiate this year's chapter of the Hall of Fame.

Carol Cowart has proven herself to be a conscientious, dependable scholar in all phases of club and class work. As a member of the "GROWLER" editorial staff, she provided essential determination and skill for an executive position. The winner of two scholastic letters, Carol has done more than her share to earn the honor of membership to the 1968 Hall of Fame.

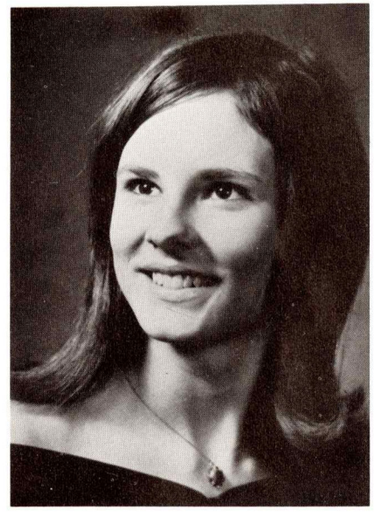


Having served as cheerleader for the Tiger team for three years, vivacious Sharon Lanham displayed energetic spirit and enthusiastic support for her school. Her sincere efforts were rewarded her senior year as she was selected Homecoming Queen. The popular miss was elected to the Who's Who contest's highest honor, Miss MPHS. Her personality, spirit, and versatility give Sharon the deserving honor of membership to the Hall of Fame.

Guy Moore is certainly a qualified member of the 1968 Hall of Fame. The polite Student Body President has displayed able leadership in several activities. As a club and class officer, Boy's State representative, and aggressive athlete, Guy has shown great promise and desire. We salute Mr. MPHS for his outstanding achievements.



Amelia "Boo" Turner represented her school and community impressively in two state-wide contests. As Moss Point's Junior Miss, Boo charmed officials and fellow contestants with her winning smile and personality. She was voted as "Miss Congeniality." Previously, the Mississippi Chapters of the Daughters of the American Revolution named the lovely miss as first alternate for the state. At home, she displayed a warm friendship and willingness to work in various activities. The capable editor of the "Tiger Flash" has surely earned her position in the Hall of Fame.



A sincere, hard-working student, David Wood has excelled in church and school related activities with his ability to serve as well as to lead. He has performed expertly in student government and club activity and on the athletic field. The versatile scholar placed third in the State Track Meet his Junior year in the 880-yard run. As recipient of the "Scholarship-Leadership-Sportmanship Award," the likeable senior typifies well the qualities of a Hall of Fame winner.

The 1967 Tigers opened their season with a spectacular football game against the Hattisburg Tigers. Although HHS came from behind to defeat the Tigers in this game, Moss Point's Tiger Team fought hard 'till the very last second of the very last game.

We would like to take this opportunity to congratulate the Moss Point High School Tiger Football Team for their outstanding effort through the past season.

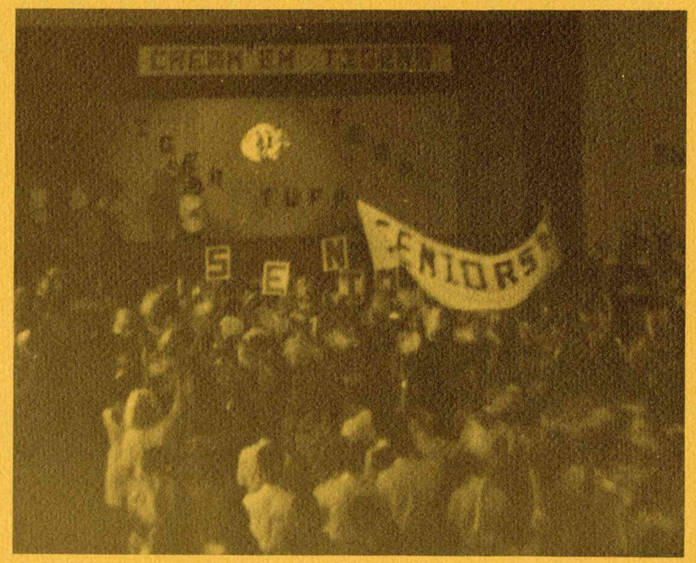
TIGERS VS. INDIANS

Another spectacular event took place the Friday nite of the MOSS POINT and Biloxi game. With MOSS POINT'S spirit showing, Biloxi tramped off the field with another victory. The score was 39-7.



GCH Shocks Tigers

The George County Rebels shocked the Moss Point Tigers with four quick touchdowns in the first half and went on to post a surprisingly easy 32-0 victory here Friday night.

It was the first victory for the Rebels since they have been playing the Big Eight Tigers.

Tigers Stun Goula

The Mighty Moss Point Tigers stunned the Goula Panthers in a spectacular 26-19 victory. The Mighty Tigers showed their great strengh by producing the upset of the season.

Throughout the game the Mighty Tigers continually excited the fans as they came from behind in the second half to bring on three touchdowns.

The almost unbelievable last touchdown came when Gary Clay, who scored all the Tiger points, grabbed the ball away from the Goula quarterback & raced 50 yards for the winning touchdown with only 1:33 left in the game.

Congratulations to the Mighty Tiger Team for a game that was almost unbearably exciting, a game almost perfect, and certainly a game that will never be forgotten.

Another year has passed and the hallowed halls of Moss Point High School are silent once again. We hope we have left you with many memories of the past year that will enable you to remember the wonderful times--football games, pep rallies, parties, classes, teachers, and above all--beating GOULA!!!

In our efforts to present you these memories we have experienced difficulties: four hectic deadlines marked with editorial tirades, photography troubles, losing a sponsor, and --Dickie Roberts!!

We of the GROWLER staff sincerely hope that this annual will present to the Seniors of 1968 a composite picture of your year.

Patsy,
Best of Luck in the future.
